- **Project Name:** Tree Plantation Program
- **Project Date:** 26 July 2026
- **Venue:** Aditya Nath Park, Chovar, Kathmandu
- **Rotary Area of Focus:** Supporting the Environment
- **Project Status:** Successfully Completed

Project Highlights

- Planted **more than 200 fruit-bearing and flowering trees** at Aditya Nath Park.
- Contributed to environmental conservation and enhancement of green public spaces.
- Promoted community awareness on the importance of tree plantation and sustainable environmental practices.
- Encouraged collaboration between Rotary and local stakeholders for long-term environmental stewardship.

Participants

The project was successfully carried out with the active participation and support of:

- Members of the Rotary Club of New Road City, Kathmandu
- Inner Wheel Club members
- Rotaract Club members
- Interact Club members
- Nepal Police personnel
- Local Government Representatives
- Aditya Nath Park Management Committee
- Community Volunteers

Beneficiaries

The project is expected to benefit:

- Local residents
- Visitors to Aditya Nath Park
- The surrounding environment and ecosystem
- Future generations through increased green cover and improved biodiversity

Sustainability Plan

To ensure the long-term success and sustainability of the project, the Rotary Club of New Road City, Kathmandu will:

- Coordinate closely with the Aditya Nath Park Management Committee and local stakeholders.
- Conduct regular follow-up visits to monitor the growth and health of the planted trees.
- Assess tree survival rates periodically.
- Replace damaged or dead saplings whenever necessary.
- Encourage continued community participation and ownership in maintaining the plantation site.
- Promote environmental awareness to ensure the long-term protection of the park.

Acknowledgements

The Rotary Club of New Road City, Kathmandu extends its sincere appreciation to everyone who contributed to the successful implementation of this project, including:

- Rotarians of the Rotary Club of New Road City, Kathmandu
- Inner Wheel Club members
- Rotaract Club members
- Interact Club members
- Nepal Police personnel
- Local Government Representatives
- Aditya Nath Park Management Committee
- Community Volunteers

Their dedication, cooperation, and commitment played a vital role in making this environmental initiative a great success.

Conclusion

The Tree Plantation Program reflects Rotary's unwavering commitment to **Supporting the Environment**. Through the collective efforts of Rotary members, partner organizations, and the local community,

more than 200 trees have been planted, contributing to a greener, healthier, and more sustainable future. This project demonstrates the power of service above self and reinforces Rotary's commitment to creating lasting environmental impact.
