Project Name: “Vision Screening” Jyoti Project

Date: 28th July 2026

Venue: Shree Janak Secondary School, Namobuddha, Kavre

Rotary Club of Kathmandu Height organized,

“Vision Screening” Jyoti Project at *Shree Janak Secondary School, Namobuddha, Kavre supported by Rotaract Club of Kathmandu Midtown, and Rotaract Club of Kathmandu Height from Rotary District 3292 under the project name “Jyoti”.*

Project is aimed to **identify “Vision related problems in school students”**

The event saw active participation from Rotary and Rotaract members, Family members, Local stakeholders; including school officials and community leaders.

Rtn. Raja Ram Joshi, Past President of the *Rotary Club of Kathmandu Height* and Project Coordinator; led the team of Rotaractors in successfully conducting eye check-ups of 700 students.

The *School Management Committee* coordinated and supported the smooth eye check-ups of the students, while the *Rotaractors* **conducted vision screening**

Aligned with *District Governor, Vishnu Bahadur Karki’s* campaign for **“Eye care awareness for 5000 people, Cataract screening for 50,000 people and Cataract surgery for 4000 people”**, this initiative reflects Rotary’s dedication to environmental sustainability and community welfare.

With a *total cost of NPR 35000 rupees* (including transport, food, allowances and fellowship), this project stands as a model of **collaborative and impactful service.**
